

PBT CHEMICAL DECLARATION: TSCA 6(H)

Thursday, December 18, 2025

Asbury Advanced Materials is a global supplier of carbonaceous industrial minerals and products. As a responsible steward and operator continually striving to offer quality products that meet and exceed safety and regulatory standards, we routinely declare compliance with global and municipality regulations. This declaration is regarding PBT (persistent, bio accumulative and toxic) chemicals under TSCA section 6(h). Asbury Advanced Materials and subsidiaries does/do not use PBT chemicals in the manufacture of or as an addition to any of our products.

The following Asbury Advanced Materials product classes:

-Activated Carbon (wood, coconut, coal), Anthracite Coal, Calcined Petroleum Coke, Carbon Black, Expandable Graphite, Metallurgical Coke, Natural Graphite (amorphous, flake, SEFG, vein), PAN-based Carbon Fibers, Synthetic Graphite

...are free of the following PBT chemicals in either procurement or in manufacturing:

Decabromodiphenyl ether, Isopropylated phosphate (3:1)(PIP(3:1)), 2,4,6-Tris(tert-butyl)phenol(2,4,6-TTBP), Hexachlorobutadiene (HCBd), and Pentachlorothiopheno

Thank you,

A handwritten signature in black ink, appearing to read 'Dylan Belding', with a stylized flourish at the end.
